The Origins of Sherlock Holmes and the American Angels

Sherlock Holmes is a character synonymous with Victorian London, characterized by his keen observation, logical reasoning, and relentless pursuit of truth. In some interpretations, the American Angels are linked to the mysterious "Angel Island" in San Francisco Bay, sometimes called the "Ellis Island of the West," where many immigrants arrived and stories of intrigue abounded. In this article, we delve into the origins, interpretations, and cultural signi?cance of this intriguing pairing, uncovering the layers beneath the surface of what initially seems like an unlikely collaboration.
