The Concept of 'Hijos' in Pearl S. Buck's Life

The Spanish word 'hijos,' meaning children, can be metaphorically applied to all those whom Pearl S. Buck considered her own. Beyond her biological son, she adopted children of mixed Chinese and American heritage during a time when biracial children often faced discrimination and hardship. These adopted hijos were not only family but also represented Pearl's commitment to social justice and the well-being of vulnerable children worldwide.

The Biological and Adopted Hijos of Pearl S. Buck

Pearl S. Buck had a total of seven children, encompassing both biological and adopted hijos. Understanding the lives of these children provides insight into the familial environment that nurtured compassion and global awareness.

Carol Buck

Carol was Pearl's only biological child, born in 1920. She grew up deeply influenced by her mother's literary and humanitarian pursuits. Carol later became an advocate for adoption herself, continuing the family's dedication to children's welfare. Her experiences as a daughter of such a renowned figure shaped her understanding of cultural identity and social responsibility.

Adopted Children and Their Stories

Pearl S. Buck adopted six children from various ethnic backgrounds, including Asian and

African descent, at a time when adoption was less common and often stigmatized. These

hijos included:

Peter

1.

Carolyn

2.

Gowin

3.

Others from China and mixed heritage

4.

Each adopted child was embraced as part of the family, and Pearl often spoke about the importance of giving children a loving home regardless of their origin. Her advocacy helped pave the way for more inclusive adoption practices and highlighted the challenges faced by biracial and adopted children.
