The digital format also allows for periodic updates, re?ecting new discoveries or corrections, which is a signi?cant advantage over static printed catalogues. Some platforms even integrate user feedback to re?ne and expand entries, creating a semi-crowdsourced aspect while maintaining editorial oversight.

Challenges and Limitations

While the Peter Justesen catalogue is a valuable resource, it is not without its limitations. The niche focus means that some users might ?nd gaps if they seek information outside Scandinavian mid-century collectibles. Additionally, the price point for acquiring the catalogue?especially the physical edition?can be a barrier for casual enthusiasts.

Moreover, given the specialized nature of the content, the catalogue assumes a certain level of prior knowledge. Beginners may ?nd the terminology and referencing system somewhat dense, which could necessitate supplementary resources for full comprehension.
