Born in 1899 in Nottingham, England, Alma entered the ?lm industry at a young age, working initially as a ?lm editor and script supervisor. This technical background equipped her with a sharp sense of narrative pacing and structure, skills that she later applied to her husband?s projects. For example, in the making of ?Psycho? (1960), Alma?s in?uence was evident. She was instrumental in reviewing the screenplay and suggesting narrative adjustments that enhanced the ?lm?s tension and character development. Her understanding of pacing
